Sheltered, stable Outer Reef Activity Platform

Outer Great Barrier Reef

MARINE WORLD OUTER REEF DAY CRUISE

Reef Magic Cruises has exclusive access to the Marine World outer reef activity platform. This stunning World Heritage listed site is located on the premium outer edge of Australia's Great Barrier Reef and has been hand picked for its superior water clarity, coral quality and overall diversity of marine life.

- Cruises depart direct from Cairns, the number 1 gateway to Australia's Great Barrier Reef.
- Reef Magic Cruises is conveniently located easy walking distance from major inner city hotels or a short coach transfer from the Cairns beaches.
- Fast 90 minute catamaran transfer to the reef
- A relaxing 5 hours at the reef. Make the most of your reef experience at your own pace with flexible activity times.
- No crowds. Passenger numbers restricted to well under the vessels capacity. The Reef Magic II catamaran has 100 empty seats even when "full".
- The Marine World platform provides stability, shelter and shade for your safety and comfort in all weather conditions.
- Comprehensive range of both in-water and dry activities suiting all ages, activity levels and swimming abilities
- Easy walk-in water access. The snorkel platform leads directly into a sheltered and shallow coral lagoon, supervised at all times for your safety.
- Family friendly complete with toddlers swimming enclosure
- Benefit from the expert knowledge and experience of Cairns only locally owned Outer Reef platform operation.

GUIDED SNORKEL TOURS

Want to learn more about the reef? Join a small group tour with expert interpretation from a Marine Biologist. Tours suit all swimming abilities and offer friendly assistance for the first time snorkeller.

Guided Snorkel Tour - approximately 30 minutes
A relaxed and educational introduction to the reef. Tours suit individuals, couples or families and are conducted in a sheltered, shallow coral lagoon directly off Marine World.

Adventure Snorkel Safari - approximately 50 minutes
Explore further via a dedicated snorkel tender. Drift snorkel one of the spectacular Reef Magic Walls famous for their extensive coral formations and HUGE schools of fish!

Top quality diving

CERTIFIED DIVING

With Marine World as your base, a specialised dive tender takes you directly to a selection of incredible drift, wall and channel dives. Explore swim-throughs, small caves and drop-offs. These private locations are only accessible to Marine World guests with up to 3 uniquely different dives possible in a single day. Dives are guided for your safety and enjoyment.

INTRODUCTORY DIVING

No experience necessary. Enjoy the thrill of diving for the very first time while exploring the coral lagoon directly off the Marine World platform. Maximum of 4 divers per instructor ensures close supervision at all times.

HELMET DIVING

A unique underwater experience exploring to a depth of 3m without even getting your hair wet! Perfect for the non-swimmer or nervous diver with a lively fish feeding included.

HELI-MAGIC SCENIC HELICOPTER FLIGHTS

Reef-Scenic flights provide a unique perspective of this stunning World Heritage listed location. Extensive coral formations are clearly visible through the clean coral sea waters with common sightings of turtles, rays, reef sharks, schooling fish and even majestic Humpback Whales (July-September).

- Introductory Heli: 5 minutes flying time
- Vertical Heli Adventure: 10 minutes flying time
- Fly/Cruise (1-way boat, 1-way heli): 25 minutes flying time
- Fly/Fly (Heli to/from Marine World): 50 minutes flying time
