

ALARAMEET GALA DINNER SEPTEMBER 10TH 2017

The Theme for this year's Gala Dinner is: **PIRATES!**

Along with all the usual tourist activities that we enjoy during ALARAMEET, we are including some A.R. activities - putting the 'ARrrr' Back into ALARA!

This year also commemorates 50 years since the original Pirate Radio Station 'Radio Caroline' was made illegal; Plus, the latest 'Pirates of the Caribbean' movie recently completed filming in Queensland, with one of its leading stars, Brenton Thwaites, hailing from Cairns!

So, we are encouraging everyone to dress up for the Sunday Night Gala Dinner.

Although it is by no means compulsory, we will have prizes for the best and most innovative costumes! Some members have already made up their outfits, others are lacking time or materials, so we have put together a range of costumes and accessories for you to choose from; and thanks to some friends who are in the costume business, we can offer the items below at 30% below normal retail price! The small margin ensures that GST and freight to Cairns will be covered, and the surplus will be donated to the RFDS (Flying Doctor) which is a worthwhile cause for all Australians. Alfred Traeger's innovative Pedal Wireless bringing medical care and education to so many, makes it even more appropriate. Cairns is home to the largest RFDS Base and they have kindly invited us to visit outside of weekend hours.

Have a browse through the items below and simply email: vk4@alara.org.au with a list of the items and sizes you would like to purchase.

We will contact you to arrange payment and you can simply collect your items when you check into ALARAMEET. (See note below if you require your items sooner.)
