- Cairns Urban Adventures <a href="http://www.urbanadventures.com/about-us">http://www.urbanadventures.com/about-us</a> including solo traveller Cairns by Night guided tour: "I absolutely loved this tour, I'm a solo traveller and it was my first night in the city. My guide showed me Cairns in a unique way I would not have gotten to experience on my own; he was enthusiastic and just as excited as I was to be in cairns. I would definitely recommend doing this tour first as you become familiar with the city and gain some knowledge. We visited the dome, the night market, got a massage, ate Aussie cuisine and grabbed a beer at the end of the night it was great value for money and a lot of fun."

"We start the tour on the Cairns Esplanade, and then proceed to mangrove ecosystems, important breeding grounds for tropical fish found on the Great Barrier Reef. We then segue-way to Cairns Salt Water creek, lined with mangrove swamps into the Botanic Gardens & Centenary Lakes. There is a wide variety of tropical flora and fauna including some exotic tropical fruit orchards. Anyone can do it!! "
