Grant Application

ALARA is now able to offer a limited number of grants to any female applying for a Foundation Licence or upgrading to a Standard or Advanced Amateur Radio Licence.

The grant is equal to approximately half the cost of the fees for assessment, licence and callsign. In addition, we would provide a complimentary membership to ALARA for one year.

After receiving your application, it will be sent to the Committee who will decide your eligibility. This may take up to four weeks, but often less.
